Hanya Butuh 3 Langkah Untuk

APLIKASI INVESTASI UMKM

Role : UI Design / Full Stack Developer

Years : 2021

In the pandemic of Covid-19, it's very difficult to get a job, and many workers were laid off by their companies, and they choose to do UMKM businesses. There are many UMKM in Indonesia, and the barrier factor for opening UMKM is the fund. By using this UMKM Investment Website, it is hoped that it can help UMKM business players to get a fund through investors, the role of the UMKM Investment Website in here is to help UMKM business people and investors to make an investment.

WEB COMPANY PROFILE

The website features a large, semi-transparent black and white photograph of a person's hands typing on a laptop keyboard, serving as the main visual element.

photoworks

[Home](#) [About](#) [Session Info](#) [Contact](#)

*"The way to get started
is to quit talking and begin doing"*

whatever is good to your soul, do that.

WEB COMPANY PROFILE

Role : UI Design / Web Developer

Years : 2021

Web Company profile aims is to introduce the company profile that is owned, so that it is easily recognized by the wider community. For example is Indonesia LEE Photoworks, which is a company engaged in photography

WEB E COMMERCE

The screenshot shows the homepage of the Goodhabit website. At the top left is the logo "goodhabit" with a cartoon face. At the top right are navigation links: Home, Store, About, and Contact. The main title "g^{YOUR}oodhabit" is prominently displayed with a cartoon face integrated into the letter "o". Below the title is a subtitle: "All ingredients are naturals and preservatives free". A central "Order Now" button with a shopping bag icon is visible. The page features several images of Goodhabit products: smoothies in jars, juices in bottles, and bowls of granola or cereal. A green WhatsApp icon is in the bottom left corner.
